Do We Forget?

There was once an absent-minded professor who became so absorbed in his work that he forgot the simplest details. One morning his wife said, "Now Henry, remember, we are moving today. Here, I'm putting this note in your pocket. Don't forget. "The day passed by and the man came home to his house. He entered the front door, and found the place empty. Distraught, he walked out to the curb and sat down. A young boy walked up to him, and he asked him, "Little boy, do you know the people who used to live here?" The boy replied, "Sure, Dad, mother told me you'd forget." How often do we become so absorbed in "the little things of this world" that we forget who we are and whose we are and where we are going.

Life gets busy. As we age life speeds up instead of slowing down. Our lives are full of activities and comings and goings. This season it seems to get even faster and our schedules get fuller with traveling and making preparations to be with or receive family. In the midst of our hectic lives, let us not forget that all is for nothing if we do not have Jesus The Christ ruling our lives.
